

LIAN LI O11DMINI-1X-4

\$79.99

Premium PCI-E 16 X 4.0 Black Extender Riser Cable 200mm and Black Convert Bracket for O11DMINI-X

Product Images

Short Description

Make your graphics card the center of attention with the O11DXL-1X Vertical GPU Kit from Lian Li.

Fitting the O11Dynamic XL case, this riser kit incorporates five vertical expansion slots and is constructed from steel.

Description

Make your graphics card the center of attention with the O11DXL-1X Vertical GPU Kit from Lian Li. Fitting the O11Dynamic XL case, this riser kit incorporates five vertical expansion slots and is constructed from steel. Single, double, and triple-slot cards are supported. The included PCIe riser cable measures 7.87" and sports an x16 interface with support for transfer speeds up to 8 Gb/s and PCIe 2.0 and 3.0 protocols. Please note, this kit is not compatible with PCIe 4.0 or NVIDIA RTX 3080 and 3090 graphics cards.

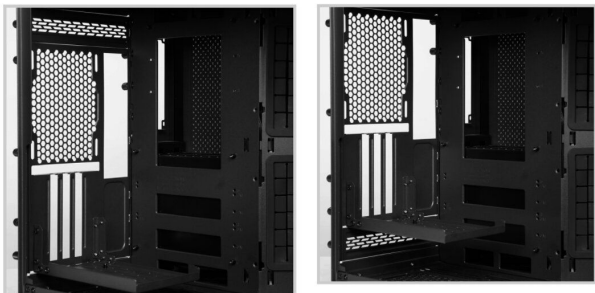

SIMPLE INSTALLATION

Replace the back panel of O11D MINI with the Vertical GPU Bracket Kit to display the front design of the graphics card. Simply remove the modular back panel of O11D MINI and mount the bracket on.

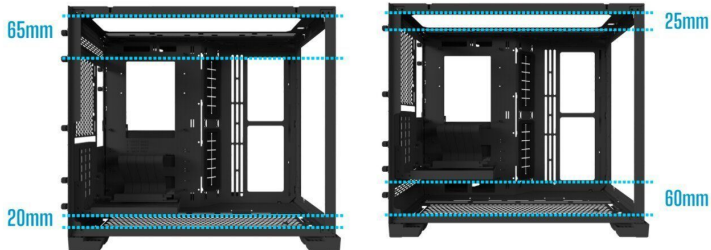

2 OPTIONAL CONFIGURATION MODES

The vertical GPU bracket kit back panel can be adjusted up and down, providing more clearance for the fans and radiator installed at the bottom of the case. This sets the motherboard location in an O11D MINI 7 slots mode or 5 slots mode.

GEN 4.0 PCIE RISER CABLE

The latest PCIe 4.0 supports transfer rates of 16GT/s bit rate. While providing double the bandwidth of PCIe 3.0, the Gen 4.0 riser cable remains backward compatible with a maximum transfer speed, offers great performance, and shows off the GPU at a great new angle.

Note: The GPU performance can be affected by other components in the system, not only the riser cable.

Specifications

Model	O11DMINI-1X-3
Color	Black
PCIe Riser Cable	Gen 3.0
Bracket Kit Dimension	(D)180mm X (W)191.5mm X (H)272.5mm
Material	SPCC 1mm
Cable Length	200mm
Expansion Slots	3 slots
Warranty	1 year

Additional Information

Brand	Lian-Li
SKU	PCI-E4.0-BK-O11DMINI
Weight	2.0000
Color	Black
Case Accessory Type	GPU Vertical Mount
