SATA-2-Molex Adapter - Black

$2.49 As low as
$1.49

Product Images

Description

Greatest thing since sliced bread?? We think so! Finally a way to convert those unused SATA connectors on your PSU to the 4-pin Molex connector you need! This is a must have adapter that should be in every power users toolbox. Matter of fact.....grab a bunch of these as you never know when you will need one!

Highly recommended by Performance-PCs.com!
