ARGB Fans

### SHOP NOW!

### EXPERIENCE ARGB CONTROL ON A WHOLE NEW LEVEL

Lighting effects of the 3 included ARGB fans can be controlled through the iCUE software. It offers a wide range of lighting effects and color options. You can also control the lighting through the front panel's ARGB control buttons.

### MODULAR PSU SHROUD COVER

The optional modular PSU shroud cover is made of high-quality aluminum and is compatible with most ATX PSUs. It can be removed to allow for better airflow.

### MULTI-WAY FAN/RADIATOR BRACKET

The Multi-Way Fan/Radiator Bracket is designed to support a wide range of fan and radiator configurations. It is compatible with most ATX PSUs and can be used to mount fans and radiators in a variety of orientations.

### HOW TO INSTALL THE MULTI-WAY FAN/RAD BRACKET

The Multi-Way Fan/Radiator Bracket is designed to support a wide range of fan and radiator configurations. It is compatible with most ATX PSUs and can be used to mount fans and radiators in a variety of orientations.

### OPTIMIZED STORAGE CONFIGURATION

The PC case offers a variety of storage options, including 2x 5.25-inch floppy disk drives, 2x 3.5-inch floppy disk drives, 2x 3.5-inch hard disk drives, and 2x 2.5-inch SATA drives. It also features a dedicated SATA-to-USB adapter for easy access to your storage devices.

### SUPPORT UP TO 3 DRIVES

### REMOVABLE TWO-WAY CABLE MANAGEMENT BAR

The removable two-way cable management bar allows you to route your cables in a clean and organized manner. It is compatible with most ATX PSUs and can be used to manage power and data cables.

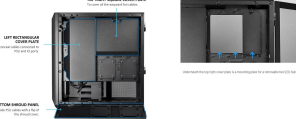

### FLIP PANELS AND SHROUDS ALL AROUND

The flip panels and shrouds allow you to access your components from the front, top, and bottom of the PC case. This makes it easy to upgrade your system and keep it looking clean and professional.

### CABLE MANAGEMENT WITH EASE

The PC case features a variety of cable management options, including tie-downs, Velcro straps, and a dedicated cable management tray. This allows you to keep your cables organized and out of the way.

### AVAILABLE IN BLACK OR WHITE
