Short Description

TN GPU Backplate RX 6800(XT)/6900XT is a backplate designed for the full coverage waterblock AMDs Radeon RX 6800, RX 6800 XT and RX 6900 XT using AMD's reference PCB design.

Description

This backplate is the add-on for all TechN GPU waterblocks for RX 6800/6900 (XT). Anodized in black, the TN GPU Backplate RX 6800/6900 (XT) will complete the look within your system as offering definitely the best design for your PC.

Mounted on the backside of your graphic card, the full-cover backplate will provide a passive cooling on the most critical/relevant area like the backside of the GPU thanks to the pre-applied thermal pad on the backplate.

Features
