

Button Head Cap Screw M4 x 12mm - Gold

\$0.15

Product Images

Short Description

Anodized aluminum button head screws

Description

Anodized aluminum button head screws

for use with distro plates like such brands as EK, Bykski, Barrow and our very own Channelz. These anodized screws will surely dress up your Distro plate!

Use your imagination and set your mod apart from others!

****NOTE****

switch out Screw on the distro plate at your own risk. as we are unsure on the sizes other brands use.
