Product Images

Short Description

The Zalman ZM-NC1000 ultra quiet notebook cooler's aerodynamic design reduces your notebooks operating temperatures while simultaneously reducing its operating temperature! Many unique features make this cooler stand apart from the rest in quality and performance. A rubber grip prevents sliding on smooth surfaces, it's powered by your notebooks USB port meaning no external power adapters or supplies are

needed. User adjustable fan speed to tailor the cooler to your selected environment. All this and so much more make the Zalman ZM-NC1000 a sure fire win for all your notebook quieting and cooling needs.

Description

The Zalman ZM-NC1000 ultra quiet notebook cooler's aerodynamic design reduces your notebooks operating temperatures while simultaneously reducing its operating temperature! Many unique features make this cooler stand apart from the rest in quality and performance. A rubber grip prevents sliding on smooth surfaces, it's powered by your notebooks USB port meaning no external power adapters or supplies are needed. User adjustable fan speed to tailor the cooler to your selected environment. All this and so much more make the Zalman ZM-NC1000 a sure fire win for all your notebook quieting and cooling needs.

Features

- Sleek design incorporating a high quality 3mm thick aluminum panel with a fine curvature and great cooling performance. Premium aluminum treated with D.S.A. Surface Processing. * D.S.A.(Diamond Cutting, Sand Blasting, Anodizing)
- The Rubber Grip Strip prevents the notebook from sliding.
- Ergonomically designed to minimize user fatigue.
- Two centrifugal fans for consistent high air pressure and fast cooling performance.
- 679 high capacity vent holes evenly distribute the flow of cold air to cool the entire notebook.
- Optimized ventilation structure and aerodynamic design provide excellent performance even during low noise level operation. Cools the notebook allowing its internal fan to operate quietly at low RPM, making it ideal for quiet environments such as libraries and offices.
- Powered by the notebook' s USB port, eliminating the need for a separate power adaptor.
- Fan speed adjustable to accommodate the user's environment.
- Reduces the notebook' s temperature and noise level simultaneously.

Specifications

- ZM-NC1000
 - Materials : Pure Aluminum, ABS
 - Weight : 1,195 g
 - Dimensions : 308(L) X 330(W) X 40(H) mm
 - Noise : 18.0 - 25.5 dBA \pm 10 %
 - Input Voltage : 5V
(Connects with Notebook USB Port)
 - Color : Silver & Black
- Fan
 - Type : Dual Centrifugal Fan
 - Quantity : Two
 - Bearing Type : Hydro Bearing
 - RPM : 1,100 - 1,500 rpm \pm 10 %

Additional Information

Brand	Zalman
SKU	ZM-NC1000-SL
Weight	6.0000
Color	Silver
Fan Voltage	5 VDC
Fan RPM	1500
Fan Noise (dB)	26
Vendor SKU/EAN	823884001006
Special Price	\$27.48
