Short Description

The SC Vertical GPU Bracket PCIE 4.0 is compatible with all Singularity Computers cases. This bracket is

compatible with the original SC PCIE 3.0 Riser Cable which comes included with all SC cases.

Description

The SC Vertical GPU Bracket PCIE 4.0 is compatible with all Singularity Computers cases. This bracket is compatible with the original SC PCIE 3.0 Riser Cable which comes included with all SC cases.

Installation:

Install the PCIE Riser Cable with the included fasteners. The install process is the same for the SC PCIE 3.0 Riser Cable and for the Linkup PCIE 4.0 Riser Cable.

Install the Bracket with the Riser Cable, with the included x2 M4 x 10mm Fasteners. Follow the manual for the case you are installing the Bracket into.

Adjustment of the Riser Cable position on the Bracket may be required as you are installing your GPU.

Experience Singularity:

We create the products we want in our builds based on our 15 years of experience building high end computers. All our designs begin with function, versatility is vital to increase the possibilities so that you can create the build you want to, something unique. Our products are premium, we do not hold back on quality to save cost. All our products use the most high-end available materials and manufacturing processes. Our vision is to continue to introduce unique and exciting ideas, to inspire and lead the industry.
