Product Images

Short Description

The CORSAIR iCUE 4000X RGB is a distinctive and customizable tempered glass mid-tower ATX case with easy cable management and exceptional cooling, with three included CORSAIR AirGuide RGB fans.

Description

TEMPERED GLASS SIDE AND FRONT PANELS

Protect your components with tempered glass side and front panels for added security.

CORSAIR RAPIDROUTE CABLE MANAGEMENT

Keep your cables hidden through a thoughtfully designed system of cable routing, including the use of our unique RapidRoute™ cable dividers.

POWERFUL DIRECTED AIRFLOW

Powered with three CORSAIR iCUE fans, featuring advanced blade design, each delivers 100 CFM of airflow.

RGB LIGHTING OUT OF THE BOX

Includes Corsair iCUE RGB lighting for the front panel, side panel, and top panel.

ELEGANTLY VERSATILE

With a choice of three colors, you can easily match your PC's hardware.
