

Akasa 120mm Amber Series Ultra Quiet Case Fan - Sleeved

\$13.95

Product Images

Short Description

Akasa's Amber Series fan keeps airflow moving while maintaining an extremely low decibel level. The distinctive amber color rotor blades are designed with low air impedance, which gives an ultra quiet acoustic experience. Twin ball bearing gives consistent performance and long life, rated at over 80,000 hours before failure. Our Akasa Amber Series case fans are available in 60, 80, 92 and 120mm sizes. Each retail boxed part includes four case screws and a special 3-4 pin power adapter with separated RPM wire.

Fan cable is fully sleeved in nylon Techflex sleeving and Premium Heatshrink, colors of your choice.
