

WATERCOOL

# Watercool HEATKILLER INTEL SOCKET 3647 CPU CARRIER CLIP - NARROW ILM

\$5.99

## Product Images

## Short Description

---

Mounting frame for installing Xeon CPUs on socket 3647

## Description

---

With this mounting frame the installation of Xeon processors on Intel Socket P (LGA 3647) boards is much easier. The frame fastens the CPU in place and therefore protects the sensitive pins of the socket perfectly.

## Additional Information

---

Brand	Watercool
SKU	WC-18053
Weight	0.3000
Color	Black
Block Accessory Type	Mount Plate
CPU Series	LGA3647, LGA115X, AM4, LGA2066, TR4, sTRX4
Block CPU Type	Intel
Vendor SKU/EAN	4251312605384
