

DREMEL Dremel 688-01 - 69pc
Cut-Off Wheel Set

\$19.95

Product Images

Short Description

Built to tackle your toughest cutting projects, the Dremel Cut-Off Wheel accessory set includes 69 cut-off wheels and a 402 mandrel. Best for tougher applications, cut-off wheels are great for slicing and cutting metal, light wood, and plastic. Cut-off wheels make it easy to cut or slot bolts, screws, sheet metal and more. Kit includes a reusable storage box to keep your accessories organized.
