\$32.95

Product Images

Short Description

Another genuine Performance PC Product! Our Wire Management Kits are the best way to tidy up that rat's nest in your rig. All our kits ensure increased airflow and better looks for your case. At PPCS we offer various

wire management kits from simple that just include pins, clamps or zip ties, to deluxe kits that include the proper tools to make your own or take apart your PC cables. All our PPCS Kits will save you quite a bit of money buying all these parts in a kit versus buying individually. This particular kit would cost you over \$40 if you purchased these parts individually! Save money buying our PPCS Wire Management kits!

This is our clamps and clips Essentials Kit #2! Here is a handy box full of all the most common clamps and clips used when performing wire management in that new build of yours. The clamps and clips in this kit are more of the smaller ones used in cleaning up your rig.
