Internet Reviews	<div style="display: flex; align-items: flex-start;"> <div style="margin-right: 10px;"> <input type="checkbox"/> </div> <div> <p>This product is affordable, well constructed, and performs exactly as advertised. I know many consumers might have given up on using notebook coolers, but I hope they open their minds and try the NotePal P1. I think the experience will give them a new outlook on notebook coolers as a whole, because the coolness they receive from them will definitely open their eyes.</p> <p>...more</p> </div> </div>
