Short Description

Corsair RGB Fan Hub Splitter Adapter for RGB Hub, Lighting Node Core and Commander Core

Description

Corsair RGB Fan Hub Splitter Adapter for RGB Hub, Lighting Node Core and Commander Core

This adapter plugs into one LED fan port on your Corsair RGB HUB, Lighting Node CORE or Commander CORE and splits into two useable fan ports!

Features

- High quality build!
- Compact size for better cable management!
- Free shipping worldwide!

This means you can attach twice as many Corsair ARGB fans, including:

- HD120 and HD140 RGB,
- SP120 and SP140 RGB PRO and ELITE,
- ML120 and 140 PRO RGB,
- LL120 and LL140
- QL120 and QL140
- or any ARGB device or adapter which uses the Corsair 4-pin ARGB Fan connector!

Attached devices will share the same data signal, which means they will display identical lighting effects!
