Short Description

Right Angle USB Type-C Male to Female Adapter
Convenient right-angle Type-C to Type-C adapter

Description

Right Angle USB Type-C Male to Female Adapter

Convenient right-angle Type-C to Type-C adapter. Whilst maintaining SuperSpeed data transfer rates of up to 10Gbps. Perfect for tight spaces behind computers, monitors, and any devices near a wall. Comes as a 2 pack in black.

Features

Right Angle USB Type-C Male to Female Adapter

2 pack

USB 3.2
Gen 2

10Gbps
Fast Transfer

3A Fast
Charging

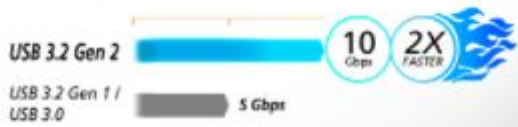

Convenient 90 Degree Adapter

Angled adapter allows for better cable management and protection removing the need to bend any wires. This allows for a longer cable life span and convenience in tight spaces.

SuperSpeed Data Transfer and Fast Charge

USB 3.2 Gen 2 adapter maintains SuperSpeed data transfer speeds of up to 10 Gbps from Type-C to Type-C. Coupled with fast charging at 3A/5V.

Flexible Device Compatibility

Adapter is compatible with most peripherals out currently, giving a lot of flexibility with its use. Convenient plug and play, removing the need to install separate drivers.
