Short Description

EK-Quantum Vector² Strix RTX 3080/90 ABP Side Cover - Nickel is a metal plate covering the gap between the water block and the active backplate. It is made from nickel-plated aluminum.

Description

Details

EK-Quantum Vector² Strix RTX 3080/90 ABP Side Cover - Nickel is a metal plate covering the gap between the water block and the active backplate. It is made from nickel-plated aluminum. It is used exclusively in conjunction with both the water block and the active backplate.

It hides the terminal side of the PCB, ensuring that no part of the PCB is visible.
