Description

The Y60 features a 3-piece panoramic tempered glass design for the ultimate photo and display potential. See your build the way it was meant to be seen from the left or right side of your desk with a simple turn.

Features

Panoramic Views
No corner pillar. The Y60 features a 3-piece panoramic tempered glass design for the ultimate photo and display potential. See your build the way it was meant to be seen from the left or right side of your desk with a simple turn.
Exclusively Vertical GPU Mounted
Why would you want to see your graphics card any other way?
Included PCIE 4.0 Riser Cable
A protective riser cable canopy integrates beautifully into the case, allowing for half-height PCIE cards behind the throne of the vertical graphics card. The protective shroud is the first of its kind, made specifically for the Y60.
Antechamber Construction
Segment cables from thermal components and turn your PC into a work of art.
Cold Floor Cooling
Eliminate hot spots with sweeping lateral vents from fans tastefully tucked into the basement of the Y60.
Included Fans
The three pre-installed Flow FE12 fans with fluid-dynamic bearings provide whisper-quiet operation.
