### Product Details:

\*\*\* HOT NEW MOUSEPAD!

The Corepad C1 Series are improved premium cloth mouse pads, with a better and smoother top surface. Made of a non-slip rubber base to ensure grip on the smoothest surfaces with on top a high quality cloth material. This to ensure a consistent and precise mouse control. The Corepad C1 Series are almost 5 mm thick, which results in a very unique feeling of softness and comfortability. The Corepad C1 Series are ideal for hardcore gamers, graphic designers and other users with high demands on precision, feel and functionality. The Corepad C1 Series are developed in cooperation with professional users. The Corepad C1 Series are compatible with all mice: ball, optical and laser.

Features:

- Amazing flexible and smooth surface
- C1 Series available for all sensitivity mouse settings
- Maximum precision when aiming
- Compatible with all mice (laser and optical)
- Non-slip rubber backing
- Cleanable with damp cloth

Specifications:

- Corepad C1 Medium 325 x 290 x 4.7mm / 12.80 x 11.42 x 0.19 in
