Short Description

The EK-Pro CPU WB 4677 Ni + Acetal is a dedicated enterprise-grade water block specifically developed for LGA 4677 Intel® processors.

Description

Details

The EK-Pro CPU WB 4677 Ni + Acetal is a dedicated enterprise-grade water block specifically developed for LGA 4677 Intel® processors. The core of the new CPU water block was refined to manage the growing heat dissipation of new 4th generation scalable Xeon® processors and to further upgrade connectivity options for workstation requirements.

Features

The EK-Pro CPU WB 4677 Ni + Acetal water block features a total of 3 standard G1/4" threaded ports located on the top of the water block and is intended for workstations and taller server racks.

This enterprise cooling solution is built with performance, reliability, serviceability, and no compromises in mind. This water block meets these demands with top thermal performance and unparalleled connectivity, making it the perfect choice for liquid cooling high-density computing systems.

The EK-Pro CPU WB 4677 Ni + Acetal water block features a precisely machined copper base (coldplate) made from the purest copper available on the market and is treated with nickel electroplating. The top is CNC machined from durable black POM Acetal, and the hold-down bracket is made of laser-cut stainless steel.

Specifications

Intel® CPU socket compatibility:

- LGA 4677

Enclosed:

- EK-Pro CPU WB 4677 Ni + Acetal Water Block

- 1x EK plug G 1/4"

- EK-Loop Multi Allen Key (6mm, 8mm, 9mm)

- 1x Torx T30 Key - 1x 5mm Allen Key

- Thermal grease (1g)

PLEASE NOTE:

- This product should NOT be installed with any aluminum [Fluid Gaming](#) parts!
- The use of specifically engineered coolants that contain corrosion, scale, and biological inhibitors is mandatory to prevent damage to your nickel plated water block! EK is offering a selection of such products in the [coolants](#) section.

Additional Info

	Nickel Acetal
	G1/4
	Intel

Additional Information

Brand	EK Waterblocks
SKU	EK-PRO-CPU-WB-4677-NA
Weight	2.5000
Color	Black
CPU Series	Intel LGA 4677
Block CPU Type	Intel
Block Style	Nickel-Acetal
Vendor SKU/EAN	3831109861103
