Reviews:
"As such, we can wholeheartedly recommend it!"

Techpowerup [Read the full review](#)

"This is one of the coolest cases I've seen in a while, it's superbly stylish, and can be mounted horizontally making it great for an under TV HTPC build, or vertically to free up some desktop space."

eTeknix.com [Read the full review](#)

"In our eyes, the Fractal Design Ridge is a welcome addition to the Small Form Factor market and we're very pleased that Fractal Design hasn't forgot about the little guys."

SFF Network [Read the full review](#)

"Well done Fractal, this case is now the de-facto choice for console-killing mini PCs."

OC3D.net [Read the full review](#)

"It has an attractive, very small design, and was incredibly easy to build in for such a small chassis."

PC Perspective [Read the full review](#)

"... it takes away a much deserved "Approved" award from the editorial team."
