

Cooler Master HAF 500 Mid-Tower Gaming Case - White

\$99.95

Product Images

Short Description

Keep all your components cool with the uniquely designed and stylish Cooler Master HAF 500 Mid-Tower Gaming Case. Featuring multiple fan locations, mesh front paneling, and support for AiO liquid coolers, the HAF 500 gives new and seasoned builders a solid foundation for their next rig.

Promoting proper airflow, the HAF 500 gives you a large mesh front panel that includes two large customizable 200mm ARGB fans and can fit other optional cooling solutions such as different sized fans and radiators up to 360mm. An included hub allows you to control the lighting for an even deeper level of customization, turning your rig into the centerpiece of your room.

Description

Keep all your components cool with the uniquely designed and stylish Cooler Master HAF 500 Mid-Tower Gaming Case. Featuring multiple fan locations, mesh front paneling, and support for AiO liquid coolers, the HAF 500 gives new and seasoned builders a solid foundation for their next rig.

Promoting proper airflow, the HAF 500 gives you a large mesh front panel that includes two large customizable 200mm ARGB fans and can fit other optional cooling solutions such as different sized fans and radiators up to 360mm. An included hub allows you to control the lighting for an even deeper level of customization, turning your rig into the centerpiece of your room. Screwless and tool-free design gives you instant access to the two 2.5" and two 2.5/3.5" storage drive bays along with the 1" dedicated cable management space for seamless component installation. The inner chamber and seven expansion slots can support graphics and utility cards up to 16.1" in length. An internal rotating 120mm GPU fan can reposition airflow towards the card to enhance thermal performance and keep your system cool. You can install a wide range of motherboards including ITX, M-ATX, ATX, E-ATX, and even SSI CEB boards, giving you multiple options when building your system.

Front Panel Connectivity

The front panel gives you instant access to an array of ports, allowing you to plug in a wide range of peripherals such as controllers and external drives with ease. Two USB-A 3.2 Gen 1 and one USB-C 3.2 Gen 2 port give you data transfer speeds up to 5 and 10 Gb/s, respectfully. A 3.5mm audio combo jack allows you to plug in various headsets so you can speak to your online teammates or listen to your media privately.

Removable Top Panel

A removable top panel gives you additional access to internal components and streamlines assembly. You can also easily mount additional cooling solutions such as an array of fans or radiators up to 360mm.

Features

Features:

Homecoming Classic

Cooler Master's classic HAF series is making a return with HAF 500. Built for high airflow and peak performance, the HAF 500 boasts iconic 200mm large intake ARGB fans, ensuring unparalleled intake and cooling efficiency. The chassis features a dedicated GPU fan, adjustable to various GPU lengths. Ample clearance for dual 360mm radiators on the top and front panel accommodates the most advanced water cooling setups.

Tool-less side panels and a removable top panel facilitates simplified, hassle-free component installation without the need to struggle with small spaces.

Mesh Front Panel

Large filtered intakes promotes high airflow, keeping internal components running at optimal temperature.

Dual 200MM ARGB Fans

Iconic 200mm ARGB fans embedded in the core of the HAF Series in design and function move high volumes of air quietly and effectively due to their large size. Utilizing the included hub, ARGB lighting can be customized to create a comprehensive theme to match your build.

Rotatable GPU Fan

A 120mm fan positioned on top of the HDD cage, provides dedicated GPU cooling to ensure maximum performance. The fan bracket can be rotated to accommodate various GPU size and configurations.

Screwless & Tool-free TG Side Panel Design

The tempered glass side panel is secured with pins for easy removal, facilitating quick access to the internals without the use of tools. An optional screw can be installed to further secure the tempered glass side panel.

USB 3.2 Gen 2 Type C Support

USB 3.2 Gen 2 Type C ports built into the I/O panel allows multi-purpose, streamlined data transmission.

Removable Top Panel

The top panel is entirely removable for improved access to the components during assembly. Ease of use also facilitates the mounting of cooling solutions such as fans and radiators.

Versatile Cooling Options

Support for up to eight 120mm fans and dual 360mm radiators on the top and front panel ensure high compatibility for liquid-cooled systems.

Specifications

Specifications:

Manufacturer	Cooler Master Co., Ltd
Manufacturer Part Number	H500-WGNN-S00
Manufacturer Website Address	http://www.coolermaster-usa.com
Brand Name	Cooler Master
Product Line	HAF
Product Name	HAF 500 Computer Case
Product Type	Computer Case
Product UPC	884102096518

Technical Information:

Motherboard Supported	ATX Micro ATX ITX SSI CEB EATX
Number of Fans Supported	8
Number of Fans Installed	4
Installed Fan Size	7.87" 4.72"
<i>Bays:</i>	
Number of External 5.25" Bays	0
Number of Internal 5.25" Bays	0
Number of Internal 2.5" Bays	2
Number of Internal 2.5"/3.5" Bays	2
Number of Total Expansion Bays	4
<i>I/O Expansions:</i>	
Number of Total Expansion Slots	7
<i>Interfaces/Ports:</i>	
Total Number of USB Ports	3
Front USB	Yes
Total Number of Audio In Ports	1
Front Audio In	Yes
Total Number of Audio Out Ports	1
Front Audio Out	Yes
<i>Power Description:</i>	
Power Supply Installed	No
Number of Power Supplies Supported	1
Number of Power Supplies Installed	0
<i>Physical Characteristics:</i>	
Product Color	White

Product Material	Steel Mesh Plastic Tempered Glass
Form Factor	Mid-tower
Maximum CPU Cooler Height	6.57"
Maximum PSU Length	7.09"
Height	20.1"
Width	8.8"
Depth	20.3"
Weight (Approximate)	20.94 lb
<i>Miscellaneous:</i>	
Country of Origin	China
<i>Warranty:</i>	
Warranty	2 Year

Additional Information

Brand	Cooler Master
SKU	H500-WGNN-S00
Weight	30.0000
Color	White
Chassis Form Factor	Mid-Tower
Side Panel	No Window
Motherboard Support	ATX, E-ATX, Micro ATX, Mini ITX, SSI-CEB
Material	Glass, Plastic, Steel
PSU Wattage	No PSU
Vendor SKU/EAN	884102096518
