## Description

---

\*PPCS EXCLUSIVE\*

Upgrade your Crow chassis to the look you want with CFSG hardened glass panels for CFSG "The Crow" chassis.

Switch out your clear panel for an aesthetically pleasing darkened or tinted panel.

Color options: Dark or Tinted(graphite)

Exclusively sold at PPCS.

## Features

---

With a 4 mm thick window of tempered glass, every detail of your artwork will be visible while protecting the sensitive components from long fingers and wild VR movements.
