\$99.95

Product Images

Short Description

Product Details:

The best new classic mid-tower case from Lian Li yet! They combined dual colors and the basic features of a PC-7 along with several new features to come up with a modern mid-tower case that has both style and great cooling. New to this case is a unique HDD mounting rack which makes installing and removing HDD's a snap! The PC-A08 has four front 5.25" and two 3.5" bays, along with space for three internal HDD, and removable PSU tray. Dual 120mm fans are included as well as the usual compliment of I/O ports including audio, USB and Firewire. Optional are

dual 120mm Lian Li Blue LED fans and window panel. This mid tower has it all for a super price!

Features:

- ATX
- Multi-media I/O
- 2 x 12cm Fan
- Standard ATX PSU
- Removable PSU tray

Dissipating Flow:
