

# Silverstone NS312-B NAS Network Attached Storage Hard Drive

\$243.99

## Product Images

## Short Description

### Product Details:

With the introduction of MS01, a 3.5" HDD enclosure, SilverStone engineers took another step forward and came up with NS312, a dual function HDD enclosure with LAN connection capability. The innovative and practical NS312 is a network attached storage device, created with all of the distinctive SilverStone characteristics, perfect for small business or small team environment that needs the ability to store information as well as sharing them via network connection. Use Ethernet connection for fast data transfer or USB connection as secondary transmitting method, the quiet-operating all aluminum NS312 makes a perfect addition for secure, cost-effective and space-saving solution that will make anyone's life much easier!

#### Features:

- Dual functions, HDD storage and file sharing with up to 30 users
- Auto LAN configuration for easy setup
- Low power consumption
- Support LAN or USB 2.0 for fast data transfer
- Finely crafted all-aluminum enclosure
- Fan-less design provides noise free environment

#### Specifications:

Enclosure material	All aluminum enclosure with SECC HDD plate
Color	Black and silver mix
Power requirement	Output: +5V/1.5A +12V/1.5A AC to DC adapter (included)
Cooling system	Side open vents Large thermal interface pad
Drive size support	3.5"
Drive interface support	Enhanced IDE, ATA/ATAPI-6

Drive support	Up to 48-bit addressing for large hard drive
IDE support mode	Windows, Mac OS, Linux, and UNIX
Enclosure interface	RJ45 Network Cable, USB 2.0 (480Mbps)
Net Weight	1.2 kg
Built-in CPU	ARM9 Core (32-bit)
Built-in memory	64MB SDRAM / 8MB NOR Flash
Max.number of users	30 simultaneously
Dimension	140mm (W) x 50mm (H) x 230mm (D)

## Additional Information

Brand	SilverStone Technology
SKU	SST-NS312-B
Weight	5.0000
Color	Black
Device Type	External SSD/HDD Enclosure
Bay Size	3.5" Bay
Vendor SKU/EAN	844761003050
