Short Description

A Performance PC's custom made product to solve the ugly looping of USB cables through the back of your computer.

Description

A Performance PC's custom made product to solve the ugly looping of USB cables through the back of your computer. Now with our adapter you can connect TWO USB devices directly to the motherboard headers and keep those USB cables out of view and neatly organized. This adapter is 5" long and is covered with vinyl sleeving. This product is perfect for our Matrix Orbital USB LCD displays.

Please consult your motherboard manual to check for pin outs of your USB headers. Pin one is usually the red wire in the USB cable/adapter.
