PPCS 40 x 10mm LED Fan - Green

$5.95

Product Images

Short Description

These new PPCS 40 x 10mm case fans stand out for their high quality and amazing good looks. These fans use sleeve bearings for all their construction which works best for small 40mm fans. The plastic frames are crystal clear and have a much nicer look than any others in the market. These are a also very quite when used with a fan controller, or a 7V, or 9V adapter cable. Without fan control they provide maximum performance!
