## Description

---

### Product Details:

Another custom made product from Performance-PCs.com! Now you can load up all your 2-pin and 3-pin motherboard connectors from your case onto the male end of this cable, then plug the female end onto your motherboard. Now if you need to take out the mobo or change around hardware you can pull out or put on this one cable easily without having to reinstall all the individual LED and power connectors. Pin one is marked with a white dot. Cable is 6" long.

Mobo cable is fully sleeved in nylon Techflex sleeving and Premium heatshrink, colors of your choice.
