

# Alphacool Pumps - Eheim/Hydor/Laing Attachment Uncoupling Set 4 Dampers

\$6.15

## Product Images

## Short Description

---

The uncoupling set provides a vibration-free mounting of the pump of a watercooling system in the PC case. Thus no vibrations can be transferred onto the case and the pump runs silently. Of course, any other devices can be also mounted vibration-freely (Set with 4 rubber dampers).

## Description

---

The uncoupling set provides a vibration-free mounting of the pump of a watercooling system in the PC case. Thus no vibrations can be transferred onto the case and the pump runs silently. Of course, any other devices can be also mounted vibration-freely (Set with 4 rubber dampers).

This set is adapted especially for the Alphacool DDC attachment!

## Additional Information
