$19.99 was
$39.95

Product Images

Short Description

Sabrent USB Extension Cable over Cat5e or Cat6 Extender Adapter (Up To 150-Foot) This USB 2.0 extension adapter allows you to connect your USB device to your computer at a distance of up to 150 feet with the help of a Cat5/Cat5e/Cat6 patch cable (not included). No software is required for installation - this cable is plug n play which makes it a very convenient, easy-to-use choice. It works with any computer that has a USB port! This adapter will allow you to have your USB cameras, printers, web cams, keyboard/mouse extensions or any other USB device exactly where you want it without having to move around your computer.

Description

Sabrent USB Extension Cable over Cat5e or Cat6 Extender Adapter (Up To 150-Foot) This USB 2.0 extension adapter allows you to connect your USB device to your computer at a distance of up to 150 feet with the help of a Cat5/Cat5e/Cat6 patch cable (not included). No software is required for installation - this cable is plug n play which makes it a very convenient, easy-to-use choice. It works with any computer that has a USB port! This adapter will allow you to have your USB cameras, printers, web cams, keyboard/mouse extensions or any other USB device exactly where you want it without having to move around your computer.
