Short Description

Tripp Lite's HDMI Female to DVI-D Male Adapter allows newer HDMI cables to plug into DVI equipment. Gold-plated connectors and 24K Gold contacts, along with a molded, rubberized plastic housing, assure long life use. Slotted thumbscrews allow for easy installation in close quarters. Supports computer video resolutions up to 1920 x 1200, or HD resolutions up to 1920 x 1080 (1080p).
