## Description

---

### Product Details:

Custom length PWM extension cable to reach anywhere inside your case. 4 Pin Female PWM to 4 Pin Male PWM. The base price is for an 12" cable and there are options to add 6" lengths up to 36" total extension. For any hardware using a 4-Pin PWM power connector like some Intel CPU coolers for Socket 775.

Factory cable is 12" and so others lengths have to be hand made in house and with the higher labor this is reflected in the price.

Cable is fully covered in nylon Techflex sleeving and premium heatshrink, colors of your choice!
