## Short Description

AC Ryan AluBox is a creation born out of our renowned expertise in quality cabling and specialization in aluminum. AC Ryan AluBox is constructed and engineered to protect and move your data - set your data free into external casings which you can bring and use globally.

## Description

### Product Details:

AC Ryan AluBox is a creation born out of our renowned expertise in quality cabling and specialization in aluminum. AC Ryan AluBox is constructed and engineered to protect and move your data - set your data free into external casings which you can

bring and use globally. AC Ryan AluBox is quality you can feel at prices you can afford. AC Ryan AluBox is available in an extensive range with various combinations of features for top performance encased in a pure, simple and elegant design.

When 2 becomes 1 - breakthrough that Terabyte barrier!! Combine 2x 500GB hard disks into a 1 Terabyte drive with AluBoxDuo LAN. Got a little less budget? The most affordable way to have a 600GB external drive - combine 2x 300GB hard disk with AluBoxDuo LAN.

What's more... when you get more AluBoxDuo LAN, you can stack them up physically into a tower. Combine up to 8 hard disks into one megadrive using AluBoxDuo LAN's "aggregation" feature\*. Did you know the AluBoxDuo LAN also does RAID? Mirroring and striping (RAID 0 / 1) are included. Get higher disk speed performance with striping (great for high performance video editing); get max reliability with mirroring. More possibilities than you have imagined - AluBoxDuo LAN !!

## Features

---

Features:

Combine 2 harddisks!\*\*

- Create 1 big harddisk with 2 harddisks\*\*
- Break the Terra barrier affordably and easily\*\*
- Use as 2 harddisk or aggregated as 1\*\*
- Mount them as Mirror, Stripe / RAID 0, 1\*\*
- Up to 8 harddisk can be aggregated / mirrored / striped
- Combine with more Alubox LAN or AluBoxDuo LAN for RAID 5 (3 to 8 HDD)

\*\* NOTE : to use the features of combining 2 harddisks within the 1 AluBoxDuo LAN, please ensure NDAS driver software ver 3.11 or later is installed. The latest version can be obtained from our [download](#) page. Not sure about how this unique AluBoxDuo LAN feature works? email us : [tech@acryan.com](mailto:tech@acryan.com)

connect to PC via USB2.0

- USB2.0 480mbps / compatible with USB1.1
- the simplest and fastest way to get more hard disk onto your PC / notebook

connect to directly to network via LAN 10/100

- LAN 10/100mbps
- direct connection to LAN as network LANdisk
- direct access to your data anytime from any computer within your network
- 100% secure using NDAS technology without using IP addresses
- only user granted access can see the harddisk

for all 3.5" SATA/SATA2 hard disk

- use SATA/SATA2 hard disk
- supports all 3.5" hard disk up to 10000RPM
- supports all 3.5" hard disk max capacity 1024GB

True HotSwap Plug-n-Play

- Simply Plug n Play even while your system is on

1.8mm solid aluminum

- keeps hard disk cool
- Ultra lightweight solid construction
- shock resistance up to 90cm freefall
- high quality mirror polish

Built-in fan

✘ keeps both hard disks cool

Horizontal Stackable or Vertical

✘ designed for horizontal or vertical placement

✘ multiple box can be stacked on each other

✘ Front Blue LED light indicates HDD activity

## Specifications

---

Dimensions : 218 x 123.4 x 45mm

Weight : 1.83kg

Package Contents:

- AluBoxDuo

- AC to DC Power Adaptor

- AC Power Cable

- USB2.0 cable 1m

- Network cable 1.5m

- Mounting Screws for hard disk

- User Manual

- Driver CD

## Additional Information

---

Brand	AC Ryan
SKU	ACR-HD51769-D
Weight	4.0000
Device Type	External SSD/HDD Enclosure
Special Price	\$59.95
