## Features

---

- High thermal conductivity
- Heatpipes with aluminum fin and heatsink
- Stylish design in fin and extrusion heatsink
- Quad white LED fan with speed control
- Easy to install compatible to K8/AM2/LGA775

## Specifications

---

Application	Intel : LGA 775 AMD :K8 / AM2
Material	2 x 6mm Heatpipe with Aluminum fins + Extrusion heatsink (104 fins)
Dimension	D 130x H 95 mm
Fan Model	9255 Frameless Fan
Noise	17.99~28.91 dBA
Air Flow	42.36~60.38 CFM
Speed	1700~2700 RPM
Cooler Weight	560 +/- 5gram

## Additional Information

---

Brand	Aerocool
SKU	SILVERWIND-D
Weight	1.5000
Color	Silver
Material	Aluminum
Fan Dimensions	92mm
Fan Connection	3-Pin
