\$69.95

## Product Images

## Short Description

Improve your notebook comfort and connectivity. The Logitech® Alto Connect raises your notebook display for increased viewing comfort so you'll be more relaxed and more productive. It's an attractive alternative to

expensive monitors and docking stations.

## Description

---

Improve your notebook comfort and connectivity. The Logitech® Alto Connect raises your notebook display for increased viewing comfort so you'll be more relaxed and more productive. It's an attractive alternative to expensive monitors and docking stations.

## Features

---

Three High Speed USB ports make connecting peripherals a snap. An extra port on the front adds instant access to your personal digital devices—thumb drives, cameras, and MP3 music players.

### Comfort

- Elevates display for viewing comfort: Encourages a more comfortable posture by raising the notebook display to eye level and placing at an optimal viewing distance. Stay more relaxed—and more productive.

### Convenience and Style

- Built-in USB hub with convenience port: Use the three powered High Speed USB ports to connect stationary peripherals: external drives, scanners, printers, and more. An extra port on the front of the stand adds instant access to your personal digital devices: thumb drives, cameras, and MP3 music players.
- Elegant design and construction: Fits any décor.
- Works with virtually all notebooks: Use it with your current notebook—and your next one.
- Eliminates cable clutter: The convenient notch helps organize and secure cables.

This product should be used with an external keyboard and mouse.
