

# Koolance Drain Valve [13mm, 1/2"]

\$16.49

## Product Images

## Description

Inline drain valve to expedite coolant evacuation without turning your unit upside-down. Nickel-plated brass.

To use, simply install the valve on a 13mm (1/2") line near the bottom of your setup. When you need to empty the system, place a 1-Liter container below the valve and unscrew it. Next, open the top Koolance reservoir refill plug on your cooling system.

Intended Tubing Size

OD: 16mm (5/8")

ID: 13mm (1/2")

Wall: 1.5mm (1/16")

## Features

---

\*NOTE: Liquid Coolants Koolance's product warranty does not cover the use of 3rd-party coolants, coolant additives, or corrosion. Koolance LIQ-702 or LIQ-705 coolants are strongly recommended to help avoid issues with mixed metals or biological growth. Additionally, do not use aluminum with bare (unplated) copper or bare (unplated) brass in the same system. Do not use silver with nickel in the same system.\*

## Additional Information

---

Brand	Koolance
SKU	VLV-13TSPL
Weight	0.3000
Special Order	No
Fitting Type	Valve
Fitting Size	1/2" x 5/8"
