Short Description

New, great looking UV Radgrills from Bitspower are a statement in style and quality construction. These new radgrills feature a mesh center that keeps dust out and just looks plain cool under UV lighting. The radgrill kits are a full 3 piece kit with outer frame and two anti-vibration silicon pads. Like all Bitspower components these are some of the most premium products in the water-cooling industry. This is the perfect new addition to your new water-cooled PC!
