

NZXT NZXT Khaos Ultimate Full Tower Welded Aluminum Chassis

\$399.95

Product Images

Description

Khaos features breakthrough design in every category effectively satisfying the needs of the most power hungry PC Enthusiasts and Gamers.

Unparalleled Design: Following the success of the Lexa Chassis, NZXT took on the major feat of designing an ultra-premium chassis achieving "perfect symmetry" with matching curves and mirrored design

Three channel cooling: Features two 120 mm fans for intake over 8 HDDs along with the first-ever three 120mm fan bracket is placed exactly before the video card and motherboards to ensure steady airflow

Dual Power Supply Support: Designed for the power hungry PC enthusiast with future component upgrades in mind, the Khaos offers support for two power supplies. The user can split power usage between major components like the video cards and CPU with other components such as the hard drive, motherboard and floppy. NZXT even includes a specialized cable that will help start up the second PSU

Thick Aluminum Build: Following the success of the NZXT Adamas, Khaos is built with high quality craftsmanship infused throughout the chassis and comprised completely of durable 2mm and 3mm thick aluminum

Maximized Expandability: Khaos features 11 5.25" bays providing a large array of space for drives such as CD ROMS, Temperature Displays, and multi-format readers

Convenience: Khaos comes standard with mounted rubber finished wheels for moving the chassis around the home. A handle is mounted at the back for comfort during movement. Khaos also features a flippable motherboard tray for easy access to components

Features

- Complete aluminum build with arching side panels and a symmetrical design
- Thick aluminum built using welding technology to further strengthen the structure
- Allows a total of 7 fans with a triple 120mm center bracket creating a wind tunnel and moving air through the center of the chassis
- Dual power PSU support and start-up cable, manage costs by using lower wattage PSUs and splitting the power

- Handle and wheel to move the chassis
- Eight hard drive support

Specifications

MODEL	Khaos SERIES
CASE TYPE	Full tower aluminum
FRONT PANEL MATERIAL	3mm Aluminum
DIMENSIONS (W x H x D)	225 X 612 X 597 mm
COOLING SYSTEM	FRONT, 2 X 120 mm Blue LED (included) REAR, 1 X 120 mm (included) MID, 3 X 120mm TOP, 1 X 140mm Fan (included)
DRIVE BAYS	11 DRIVE BAYS 5 EXTERNAL 5.25" DRIVE BAYS (up to 11 5.25") 1 3.5" External bracket 8 INTERNAL 3.5" DRIVE BAYS
MATERIAL(S)	Aluminum Construction
EXPANSION SLOTS	7
POWER SUPPLY	500 WATT PS2 ATX 12V 2.0 (OPTIONAL)
WEIGHT	15.7 KG
MOTHERBOARD SUPPORT	MOTHERBOARDS: ATX, MICRO-ATX, BABY AT

Additional Information

Brand	NZXT
SKU	NZXT-KHAOS-D
Weight	40.0000
Color	Black
Chassis Form Factor	Full Tower
Side Panel	Window
Material	Aluminum
PSU Wattage	No PSU
Special Price	\$299.96
