

Koolance Nozzle Body, 4-Way Brass [no nozzles]

\$9.34

Product Images

Description

Create your own product using any Koolance nozzle size and configuration! The extensible Koolance Nozzle Body might enable such things as: [hose splitters](#) and [adapters](#), [drain valves](#), [inline temperature sensors](#), and more.

The Nozzle Body has a total of four G 1/4" threaded nozzle holes and already includes two nozzle plugs. Construction is nickel-plated brass body and nickel-plated steel plugs.

Features

NOTE: Liquid Coolants Koolance's product warranty does not cover the use of 3rd-party coolants, coolant additives, or corrosion. Koolance LIQ-702 or LIQ-705 coolants are strongly recommended to help avoid issues with mixed metals or biological growth. Additionally, do not use aluminum with bare (unplated) copper or bare (unplated) brass in the same system. Do not use silver with nickel in the same system.
