

# Lian Li BS-09B Aluminum External 140mm Fan Assembly - Black

\$34.95

## Product Images

## Short Description

Large 14cm axial fan mounted externally on 3 rear PCI slots sucks hot air out from expansion cards and exhausts out the back of the case. This is a similar fan assembly found in Plus II and other newer Lian Li cases but a larger more powerful 140mm variety and is mounted on the outside of most any case.

## Description

Large 14cm axial fan mounted externally on 3 rear PCI slots sucks hot air out from expansion cards and exhausts out the back of the case. This is a similar fan assembly found in Plus II and other newer Lian Li cases

but a larger more powerful 140mm variety and is mounted on the outside of most any case.
