## Description

### Masscool NOTEPAD-DURO Notebook Cooling Pad

Keep your notebook cool and running smoothly with the new Masscool NOTEPAD-DURO notebook cooling pad. As you know, nothing can destroy a PC faster than overheating. The NOTEPAD-DURO, with its high-performance 2000-RPM (+/- 10%) fan, heat-resistant aluminum construction, hydro bearing, and 32 CFM airflow will keep your components cool even during heavy usage. And with a noise level of only 18dBA, this cooler won't disturb you while you're working or playing. The Masscool NOTEPAD-DURO features two convenient USB 2.0 ports so you have extra options for connecting peripherals to your notebook. Keep your notebook cool, so it will run at its optimal efficiency with the Masscool NOTEPAD-DURO notebook cooling

pad.
