Short Description

M1-Pro is designed for laptop users and their precious laptops.

Description

M1-Pro is designed for laptop users and their precious laptops. Combining distinctive looks with pioneer ergonomics, M1-Pro performs like no other laptop cooler. It provides the best viewing angle with comfort, and blends both classic and contemporary elements on its appearance that manifests your unique taste wherever it is used.

Features

Ergonomics design

- The M1-Pro provides the best viewing angle and ergonomic comfort for your neck and legs. By raising the laptop display to eye level, you can stay more relaxed, and more productive.
Heat-pipe ventilation
- With dual heat-pipe integrated, M1-Pro enhances superior heat dissipation by providing direct heat conduction path between laptop's bottom casing and M1-Pro's aluminum surface. M1-Pro is a silent thermal solution that offers user a very comfortable computing experience.
Durable Aluminum
- With the benefit of corrosive resistant and shiny appearance, M1-Pro is always a focus. To ensure the perfection on every surface, brushed finish process is carefully applied on M1-Pro.
Made with CRYSTALLIZED - Swarovski Elements
- As the world's leading manufacturer of crystal, Swarovski combines the most advanced industrial technologies with the exigency of the master craftsman. With the beautifully crafted objects, M1-Pro has re-encharnted its beauty.
- Part Number: LCLN0001
