Short Description

Product Details:

XION Vulcan Mid-Tower Case XON-601 - ATX, mATX

Looking for a case with an elegantly bold design that rightfully demands attention? The XION Vulcan Mid-Tower Case XON-601 has a unique front panel design that compliments its sleek exterior. Additionally, the XION Vulcan Mid-Tower Case XON-601 comes with screwless side panels with an overall screwless design for all 5.25" and 3.5" devices. A 120mm, and two 90mm fans improve airflow inside the case to keep all your components cool and functional. Moreover, power, USB/Audio ports, and reset buttons are mounted at the top of the chassis to provide convenient accessibility.
