## Product Images

## Short Description

---

Alpine 64 Pro offers outstanding price/performance ratio for mainstream users

## Description

---

### *Quiet Cooling Solution for AMD CPUs*

Alpine 64 Pro offers outstanding price/performance ratio for mainstream users

Enjoy quiet cooling at a reasonable price

The Alpine 64 Pro features a lot of high standard components. The 92mm fan comes with PWM function, which controls the fan speed, and thus, lowers the noise level to a minimum according to the CPU load. The PWM function guarantees sufficient cooling at the lowest noise level possible and saves energy simultaneously. Together with the patented fan case, low noise impeller and the vibration absorption, the Alpine 64 Pro is as quiet as 0.4 Sone at full speed (2,000 rpm).

Apart from the PWM fan, the Alpine 64 Pro also features an optimized heatsink and extremely low resistance thermal compound MX-2 for efficient heat dissipation from the core. The above high quality components offer excellent thermal and noise control management. Without a doubt, the Alpine 64 Pro is one of the most cost-efficient cooler of its class.

### Easy installation

With the user-friendly design, the Alpine 64 Pro can be installed within seconds. Remove the standard cooler, place the Alpine 64 Pro on the CPU, lock two lugs with the retention module, and you are ready to enjoy the quietness brought by this cooler.

## Features

---

- Ultra quiet 92mm PWM fan with low noise impeller
- Optimized heatsink efficient heat dissipation
- Patented fan holder eliminates the buzzing sounds
- Patented vibration absorption
- Pre-applied MX-2
- Easy installation

## Specifications

---

Heatsink	105.3 L x 113.4 W x 84 H mm
Fan	92mm x 1
Fan speed	500 -2000 RPM (Controlled by PWM)
Air flow	36.7CFM / 62.2 m <sup>3</sup> /h
Maximum Cooling Capacity	90 Watts
Weight	428g
Patents	DE 20307981, DE 202005011514 US 7101149, CN 200610106209
Warranty	6 year

## Additional Information

---

Brand	Arctic
SKU	ACALP64-PRO
Weight	1.5000
Material	Copper/Aluminum
Fan Dimensions	92mm
Fan Connection	4-Pin PWM
Special Price	\$7.48
