Short Description

That a quiet and reliable brandname fan doesn't have to cost much has been proven by us for years with the Blacksilent series. The ideal compromise between noise levels and power and the low price have made the Blacksilent fans the best-selling silent fans on the market! Upon frequent customer requests we now offer the XM1/2 in the format 40x40x10mm. Of course these fans also use the superior ((NB)) technology..

Description

That a quiet and reliable brandname fan doesn't have to cost much has been proven by us for years with the Blacksilent series. The ideal compromise between noise levels and power and the low price have made the Blacksilent fans the best-selling silent fans on the market!

Upon frequent customer requests we now offer the XM1/2 in the format 40x40x10mm. Of course these fans also use the superior ((NB)) technology.

Absolute top-notch quality - developed in Germany

Features

- Original Noiseblocker Quality
The fan is extremely quiet, reliable and fail safe
- Quiet, Long Life Operation
The Blacksilent is designed carefully to not only last for a long time but to remain nearly silent during that entire life
- Highest Durability
The ultra quiet and extremely long lasting NB-Longlife advanced sleeve bearing uses modern engineering and materials and is matched with the high quality NB-EKA drive with a wear and loss rate of an unbeatable 0.01%
