USB 9-Pin Internal Header Extension Cable - 24"

$4.99

Product Images

Short Description

This Internal USB 2.0 Extension Cable is great for connecting your case's USB ports to a motherboard with abnormal placement of the internal USB header. It is also very useful if you are trying to hide cabling from view.

Description

This Internal USB 2.0 Extension Cable is great for connecting your case's USB ports to a motherboard with abnormal placement of the internal USB header. It is also very useful if you are trying to hide cabling from view.

9-pin Male to Female Internal USB Cable for two channels. Cable is 24" long.

Please consult your motherboard manual to check for pin outs of your USB headers. Pin one is usually the red wire in the USB cable/adapter.
