Short Description

Lightweight and comfortable brushed cotton baseball style cap with our PPCS embroidered logo on it! To help get a comfortable fit for lots of sizes, each hat is adjustable using a metal buckle in the back. These adjustable straps are constructed with a slot to tuck in any extra strap length, giving the hat a clean look even when adjusted to a small size.

Description

Lightweight and comfortable brushed cotton baseball style cap with our PPCS embroidered logo on it!

Solid construction; nice fit and feel

To help get a comfortable fit for lots of sizes, each hat is adjustable using a metal buckle in the back. These adjustable straps are constructed with a slot to tuck in any extra strap length, giving the hat a clean look even when adjusted to a small size.

Around the inside of each hat is a quilted comfort band. This soft comfort band cushions the fit and, in warmer weather, absorbs some perspiration, helping keep you cool and clean.

The molded bill on the front accents the athletic style and provides the eye shade that makes these styles of hats so popular among so many people who work or play in the sun.

Each of these hats is made from comfortable, stylish brushed cotton. Choice of 5 colors.
