## Product Images

## Short Description

Bigger isn't always better. Introducing the Notebook Cooler Mini, Antec's most compact notebook cooler yet. Offering the utmost in portability, this accessory delivers effective cooling power on the go.

## Description

---

Bigger isn't always better. Introducing the Notebook Cooler Mini, Antec's most compact notebook cooler yet. Offering the utmost in portability, this accessory delivers effective cooling power on the go. The Notebook Cooler Mini also offers great versatility; it's compatible with notebooks up to 17" notebooks. A quiet 80mm blower dispels heat and lowers the temperature of your device, lengthening its lifespan, and an inclined form factor angles your notebook's keyboard and screen, maximizing ergonomic comfort and minimizing strain on your wrists and eyes. The Notebook Cooler Mini may be small in size, but it's big in cooling power.

## Features

---

- Air Flow - At rated voltage zero static pressure (minimal value)
- 0.24 m<sup>3</sup> / min (8.5CFM)
