

SilverStone Adjustable White 80 mm Fan with Controller - Black Bay

\$14.95

Product Images

Short Description

The FM81 is a complete 80mm fan package with manual adjustable fan controller. With most case and CPU fans using fans of this size, finding a perfect airflow and noise ratio only requires a few turns on the exquisitely crafted aluminum turning knob. Constructed entirely out of high strength white colored plastic and polished to a smooth shine, the FM81 fan is the choice for top-level PC enthusiasts.
