Short Description

Is your PSU power cable not long enough to reach your components or look down right ghetto? Well look no further than the new Kobra MAX Power Extension Cables. Take your system to the next level of COOL and clean up the inside of your system with style and functionality. Each wire of the extension is carefully dressed with our custom PARACORD nylon braid to provide unprecedented wire coverage.

Description

Is your PSU power cable not long enough to reach your components or look down right ghetto? Well look no further than the new Kobra MAX Power Extension Cables. Take your system to the next level of COOL and clean up the inside of your system with style and functionality. Each wire of the extension is carefully dressed with our custom PARACORD nylon braid to provide unprecedented wire coverage.

Features

- Custom PARACORD nylon braid for unprecedented wire coverage. Tightest fit braid for no unsightly bulges.
- End to End braid without heatshrink. Stranded 18 Gauge wire, for excellent bend radius.
- Standard Molex connectors used to ensure 100% compatibility. Provides a professional finished look.
- Only MASS PRODUCED single braid extension cable made in the USA. 3 custom lengths to choose from – 8 inch, 16 inch, and 24 inch.
- Over 30 vibrant colors/color combinations to pick from. Every wire in every extension is tested for proper power transmission.
