

Phobya Radiator Grill Triple (360) - Stripes - Black

\$19.99

Product Images

Short Description

This radiator grill is made from 304 stainless steel and is the optimal finish for any 3x120mm radiator. It also offers protection from dangerously fast-spinning fans. If the radiator is installed inside of the case this grill offers the perfect optical integration into the case. This faceplate grill is no low-quality die-cut merchandise but only the best all-laser-cut material for your projects.

Description

This radiator grill is made from SC steel and is the optimal finish for any 3x120mm radiator. It also offers protection from dangerously fast-spinning fans. If the radiator is installed inside of the case this grill offers the perfect optical integration into the case. This faceplate grill is no low-quality die-cut merchandise but only the best all-laser-cut material for your projects.
